Customer Speaks

Mr Manjunath Vice-President [Technical] - SRS Tours and Travels

We at SRS see a great value addition, by using TouringTalkies products on our sleeper and Volvo buses. Their focus on service and support is highest and product quality is excellent overall.

Mr Rohit Pardesi COO - Prasanna Purple Mobility Solutions Pvt. Ltd.

TouringTalkies provides us technology based products which are state of art which provide customer delight and satisfaction we look for our customers.

Mr Sadiq Director - Parveen Travels

TouringTalkies means Innovation and the innovation the team brings to the bus industry is amazing. TouringTalkies are my go-to team, for anything on technology, innovative products for my buses.

Mr Sunil Kumar Reddy CEO - Orange Tours and Travels

TouringTalkies provided us the latest technology products at best possible prices we were looking for. Known them since they started 8 years ago and to this date, the hunger, to be the best has not reduced even one bit. We see TouringTalkies has a great valuable partner to Orange.

Mr Sivakumar Krishnan Chief Marketing Officer [CMO] - MG

Automotives [Bus and Coach Pvt Ltd]

TouringTalkies has been very innovative in providing customized bus entertainment and infotainment platforms and are getting a good customer experience.

Mr Krishnan General Manager - Production

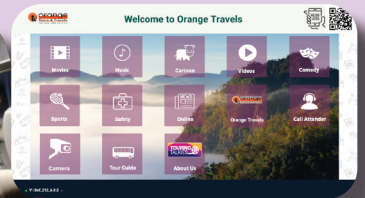

Mathialagan GM - Marketing - S.M.Kannappa Automobiles Pvt Ltd.

We know TouringTalkies from past 8 years and found them to be very hardworking, dedicated and innovative on new technology. They have also earned a good name in bus industry due to their customer centric focus. They work with bus coach builders like us like a cohesive unit and delivery the bus along with us.
